1. We Want to take everyone on a journey 2. It will be fun, but it will be serious too. Metamodernism Style 3. We will open our knowledge to anyone, but we will ask the same from everyone 4. We will think with global friends but build with local materials 5. We will make the learning as playful as possible, we hope you want to beat the high score 6. Don't be afraid to ask, if you can't Do It Yourself, Do It Together 7. Don't overthink, try. Failing is what brought us together. 8. Finally, never forget the wise words of Shia LeBeouf: **Just Do it!!**
